## SKILLS

- **Languages:** C, C++, Java, Python
  - **Frameworks:** HTML, CSS
  - **Tools/Platforms:** Kali Linux, Nmap, Wireshark
  - **Soft Skills:** Project Management, Communication
- 

## INTERNSHIP

DSA Intern | **GFG**

*May 2024 – Present*

- Implemented and optimized data structures and algorithms to solve complex programming problems.
  - Developed efficient coding solutions and improved algorithmic time complexity.
  - Participated in coding challenges and problem-solving tasks on platforms are LEETCODE, CODECHEF AND HACKERRANK.
- 

## PROJECTS

- **Gym Website**
  - Developed a responsive gym website using **HTML, CSS**.

- Implemented a **login page, home page, and about section** to provide user authentication and information.

- **Scientific Calculator**

- Description: A scientific calculator is a versatile tool designed to handle a wide range of mathematical problems.
  - **Technologies Used:** Python
  - **Impact/Achievements:** Improved user productivity by task
- 

## CERTIFICATES

- Bits and Bytes of Computer Networking (2023)
  - Introduction to Cybersecurity Essentials (2024)
  - Linux+ (CYBRARY) (2024)
- 

## ACHIEVEMENTS

- **Continued Education:** Regularly attended cybersecurity workshops and training sessions to stay updated with the latest trends and technologies.
- 

## EDUCATION

### Lovely Professional University

*Bachelor of Technology - Computer Science and Engineering*

Punjab, India

*Since August 2022*

- "Undertook a planned long-term break (2021-2022) for personal and professional growth."

### Sri Chaitanya Jr. College

*Intermediate*

**Percentage:** 85%

Vijayawada, Andhra Pradesh

April 2019 – May 2021

### Sri Chaitanya Techno School

*Matriculation*

**Percentage:** 98%

Vijayawada, Andhra Pradesh

April 2018 – March 2019
